## Schools Program 2019/2020

Thank you for your interest in introducing adapted sports to your school!

Offering adapted sports is an excellent way for schools to provide inclusive programming. For the 2019/20 academic year we will be offering a greater range of adapted sports all of which are completely universal; Every member of your school will be able to join us and we actively encourage all staff members to come out and have a go as well.

**EXCITING NEWS! Funding was secured to provide an introduction to wheelchair basketball to every single school in Prince George for all Grade 4, Grade 5 and Grade 8 students. We will bring all the equipment needed and supply a certified coach led session at NO COST to your school! All you need to do is contact us to book a date, hurry though, as available dates will fill up fast.**
